PUBLIC HEARING

PHI **Official Community Plan Amendment Bylaw, No 751, 2008 and Zoning Amendment Bylaw No. 752, 2008 – Proposed Designation of Property on Adams St. and Proposed two lot residential subdivision on Adams Street**

Mr. Koenig suggested that the previous farm use may be considered industrial use which would require a site profile.

The Administrator advised that the property history research conducted indicated only residential farming and this does not require a site profile, however, it is recommended that Council adjourn the Public Hearing to 6:00 pm on Monday, June 23, 2008 so that the District can seek a legal opinion of industrial activity under the Contaminated Sites Regulation.

190/08 Moved by Councillor Webster and Seconded by Councillor Quibell;
"To adjourn the public hearing until 6:00 pm on June 23, 2008 Council Meeting at which time the Administrator will verify the legalities of the amendment."
CARRIED

ADJOURNMENT

I certify the foregoing to be a fair and accurate record of this public hearing.
